

RECYCLING AT ARROWHEAD

Recycling is covered as part of the Trash Pick-up Service through Arrowhead. If the homeowner is interested in this service, they should call the trash removal service to arrange for it. There is a one-time charge of \$6.00 for the recycling bins. Residents should call the trash removal company - Allied Waste Services – to arrange for delivery of the pick-up bins.

The Customer Service phone number is: 303-286-1200.

Recycling is picked up on every other Monday. The present pick-up schedule for 2010 is:

January:	11 th & 25 th
February:	8 th & 22 nd
March:	8 th & 22 nd
April:	5 th & 19 th
May:	3 & 17 th (No pick-up on Memorial Day – 5/31/10)
June:	1 st , 14 th & 28 th
July:	12 th & 26 th
August:	9 th & 23 rd
September:	7 th & 20 th (No pick-up on Labor Day – 9/6/10)
October:	4 th & 18 th
November:	1 st , 15 th & 29 th
December:	13 th & 27 th

Recycling pick-up is every other week, typically on the same day as trash pick-up. Allied Waste Service's Easy sort recycling allows you to mix together plastic bottles, glass and metal cans in the same bin. They will be mechanically sorted at the recycling center.

Newspapers should be kept in a separate stack or bag either inside or adjacent to the bin. Place stacks of papers under the recycling bin to prevent them from blowing away. Newspaper inserts, magazines, junk mail, phone books and white/colored paper can be recycled. No cardboard please.

Aluminum cans such as soft drink cans, beer cans and pet food cans are ok but should be rinsed out first.

Steel cans, also known as tin cans, from vegetables, fruit, soup and coffee are fine. You can leave the labels on but please rinse the cans out first.

Glass bottles and jars are also ok. You may leave the labels on but please remove the lids and rinse food containers. Do not include any window glass, drinking glasses or any glass that is not a bottle or jar.

Most plastic such as soft drink, milk, juice, detergent and shampoo bottles can be recycled. Look for the recycling numbers 1 – 7 on the bottom of the bottle. You can leave the labels on but please remove the lids.

* * * * *

Do not put car batteries or motor oil in the recycle bins. You can recycle motor oil and car batteries at most Checker Auto Parts or Pep Boys stores.

Do not place any insecticides, hypodermic needles, razor blades or hazardous materials in the recycle bins.

Computer monitors can be recycled through GRX Recycles . PH: 303-477-2764
